

# AAP MN Anti-racism & Health Equity Workgroup

*Purpose:* We facilitate a chapter structure for chapter members that is just, diverse, equitable, inclusive, and accessible. We also promote anti-racist health equity for children of MN as identified by MN communities and families.

## 2024 GOALS

### WORKGROUP

- Meet quarterly virtually
- Have in-person retreat

### CHAPTER

- Continue to assist with equity consultant
- Continue to help with chapter website redesign
- Continue to provide guidance for board and workgroups when needed
- Work with national AAP & other state chapters on health equity initiatives
- Work with other professional state organizations to collaborate health equity initiatives

### MEMBERS

- Provide efficient health equity resources and communication
- Provide and promote health equity education opportunities

### COMMUNITY

- Amplify and participate in health equity community organizations' work as they arise
